## Notes from the Navigator

This fraternal year marks the 45<sup>th</sup> Anniversary of the Dr. Thomas A. Dooley Assembly we began the fraternal year with a wonderful installation banquet . Then we had the annual family picnic at Blackwell Forest Preserve with a bocce and a bag tournament as well as some excellent burgers & brats grilled by PFN Ken Grant. The by laws were changed at our September meeting the change allowed for the dues increase as provided for in this years budget. This by-law change now provides for the dues not to exceed \$15. rather than the exact amount of the dues (\$9.00) which would require a by law change any time the budget would indicate an increase was necessary. The dues increase to twelve dollars (\$12.00) was due in part to the membership transfers to the new Assembly. This was the first increase in a number of years and it will be reviewed each year when the budget is prepared.

Faithful Admiral Steve Orzech is working hard at membership recruitment to increase the numbers lost this year with the goal of 50 new members for our Assembly at the 4<sup>th</sup> Degree Exemplification to be held February 16, 2008 at the Wyndham Lisle. Recruitment is the responsibility of each Sir Knight to give the opportunity to our 3<sup>rd</sup> degree brother's to proudly wear the Regalia of the Order! The Fourth Degree is the most visible arm of the Knights of Columbus as we participate in Honor Guards and parades.

In addition to dues one of the prime money sources is the Add Book for the February exemplification additional information is elsewhere in this newsletter or contact Faithful Pilot Anthony Mannina with any questions.

Finally as we approach the Holiday Season remember the reason for the season is Christ and keep Christ in your Christmas HAVE A VERY MERRY CHRISTMAS AND HAPPY NEW YEAR.

Vivat Jesus

### **JEWEL PRESENTATION AT POTLUCK DINNER**

The Doctor Thomas A. Dooley assembly purchased the jewels of office and will be presenting them to the officers of the Bishop Romeo Blanchett Assembly Saturday January 19 at St. Joan of Arc parish hall 820 Division Street, Lisle Il. This will be a potluck dinner with the assemblies supplying the meat and all members requested to attend & bring a dish to share with about 20 people. Those with last names beginning A to G are requested to bring an appetizer, last names beginning H to M salad, last names N to P a vegetable, O to Z a desert. We do need a head count to have the correct amount of meat so please call yours truly Roger R. Dooley at (630) 833-3243

**“Knights of Columbus Incarnation Dome”**

The Knights of Columbus has pledged \$1,000,000 for the creation and installation of a mosaic for the dome above the south knave in the Basilica of the National Shrine of the Immaculate Conception in Washington, DC.

The “Knights of Columbus Incarnation Dome”, as it will be called, will depict scenes from the life of Christ. Our National Shrine is dedicated to Mary, Queen of Knights, and our patroness. How fitting that the Knights of Columbus provide the Incarnation Dome!

Further information regarding a fund raising campaign will be sent with your 2008 Dues Notice. Please read the information that will be sent, and consider making a Charitable Donation to make this a reality.

Jack McCarthy, PFN  
Assembly Campaign Chairman
